Due to the condensed and rigorous nature of on-campus sessions, absences for reasons other than illness or dire personal emergency will not be granted. Work demands are not appropriate grounds for missing (in whole or in part) an on-campus session. Students must petition the Program Director for an excused absence prior to the beginning of an on-campus session. Unexcused absences from an on-campus session are grounds for dismissal from the program. Also, please limit cell phone, smart phone and pager use to emergencies. ***Last day to withdraw from courses with a mark of "W" is November 3, 2017.**
